LAS TAREAS DE CASA

The logo for Elemental Kids Club features the words "Elemental", "Kids", and "Club!" in a large, bold, black font. The letters are slightly rounded and have a three-dimensional effect. A small green rocket ship with a red base and a blue and white striped pattern on its side is positioned to the right of the text, pointing upwards. A yellow trail of small stars follows the rocket's path. Below the main title, the tagline "La magia de aprender jugando" is written in a smaller, black, sans-serif font.
